

Visiting Associate/Full Professor in Clinical Toxicology or Analytical Toxicology, Faculty of Medicine, Kuwait University, Kuwait.

Salary Range (in GBP): £60,000-£90,000 a year (Tax-free) + Benefits, depending on rank and experience.

The Department of Pharmacology and Toxicology, Faculty of Medicine, Kuwait University, is in need of a Visiting Associate Professor/Professor in Clinical Toxicology or Analytical Toxicology for a period of 6 or 12 months, to help expand our clinical Toxicology service to include toxicological screening.

The post holder will be mainly laboratory-based, helping to train local staff in the use of modern analytical equipment such as HPLC, LC/MS, UPLC, GC/MS etc, for toxicological screening and TDM, but occasionally may be required to teach toxicology to medical and graduate students.

Applicants will possess a PhD in Toxicology or Analytical Chemistry or Pharmaceutical Chemistry and have experience in supervising a TDM/Clinical Toxicology service.

Informal enquiries can be made to Professor Charles Ezeamuzie (Chairman Department of Pharmacology & Toxicology) e-mail: ezeamuzie@hsc.edu.kw; telephone +965-24986332

The closing date for applications is **15 Feb, 2013**.
